

### DETAILED ACTION

1. This office action is in response to communication filed on 11/08/2007.
2. Applicant's amendment to the specification has not been entered.

#### **Response to Amendment - NON-RESPONSIVE AMENDMENT**

The reply filed on 11/08/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

3. The "Amendment" filed on 11/08/2007 recites "currently amended" next to claims 1, 5, and 6, but nothing in the language of the claims have been either crossed out or underlined. In fact, in the Applicants remarks for the 35 U.S.C. 112, second paragraph rejection, the Applicant states that he has deleted the limitation, "system administration team," from the claims, however, this has not been indicated in the claims themselves, and this is non-responsive. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The examiner notes that since the "Amendment" of 11/08/2007 was found to be NON-RESPONSIVE, it has not been entered. Therefore, at present the claims remain as presented in the "Original Set of Claims" filed on 12/21/2003. Any "Amendment" that Applicants now file should either reinstate claims 1-11 (as "original", "currently amended", or "previously presented").

**Conclusion**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Namrata (Pinky) Boveja whose telephone number is 571-272-8105. The examiner can normally be reached on Mon-Fri, 8:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eric Stamber can be reached on 571-272-6724. The **Central Fax Number** for the organization where this application or proceeding is assigned is **571-273-8300**.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 1866-217-9197 (toll-free).
